Whichever category you choose, you are contributing directly to the work we do advocating and promoting the arts in Chautauqua County.

The North Shore Arts Alliance is a not-for-profit co-operative marketing, promotional, and membership organization working on behalf of artists in Chautauqua County, New York. We seek to foster an environment where art strengthens our County's image, economic vitality, and quality of life.

To that end, we offer juried membership to local artists as well as membership opportunities for individuals and businesses that want to support our efforts to promote and integrate the arts into everyday life in the community.
